PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

NEW REFINERY FOR LAKE REGION

Hearing Planned For Railroads

Further discussion on extension of railroad facilities to serve Glades sugar interests has been set for November 12.

County Commissioners earlier this month, heard representatives of the Seaboard and Florida East Coast railroads, outline their proposed rail extensions into the Glades. At that time, the commission declined to endorse either project on an individual basis, but instead, notified the Interstate Commerce Commission that the county's prime interest was in getting additional rail facilities, regardless of which railroad built an extension.

The hearing in November has been called by the ICC to hear further evidence on the two rail companies applications.

Revival Planned By Local Baptists

The Canal Point Baptist Church is planning their Fall Revival for November 3rd through 13th. Preceding the Revival will be a series of twenty-five cottage prayer meetings over the entire area.

This coming Sunday morning the Pastor, Rev. Lawrence Stewart, will appoint a Revival staff to carry out the work, program, and plans for this meeting. The two existing Church Choirs, the Sanctuary and the Chapel, along with a new Junior Choir to be organized shortly will provide much of the music. The Church is again anticipating a great outpouring of the Holy Spirit coupled with a real stirring among the Church during this endeavor.

Mrs. Luther Jones Talks Garden Club

Mrs. Luther Jones of Belle Glade was guest speaker at the meeting of the Canal Point Garden Club, last Thursday, which was held at the home of Mrs. C. B. Stringari with the president, Mrs. Glenn Powell, presiding. Mrs. Jones demonstrated flower arrangements.

Refreshments were served following the business session by the hostess, assisted by the co-hostess, Mrs. O. H. Sheppard. The next meeting will be held, October 17, at Canal Point, at the Community Building.

HOME FROM VACATION

Mr. and Mrs. J. S. Atkins returned home Saturday after a three week vacation trip which they spent visiting their son and daughter-in-law, Mr. and Mrs. Dick Atkins and family in Fort Worth, Texas, and her parents, Mr. and Mrs. D. T. Cooper in Madison, Ga. Enroute home they visited his father, J. S. Atkins, Sr. in Avon Park.

Wilkinson Family Reunion In Georgia

Mr. and Mrs. J. H. Wilkinson, Sr., Ellis Wilkinson, Harold Wilkinson, Mrs. Fred Boles and Mrs. Claude Hanson returned to Pahokee Monday after spending the weekend in Claxton, Ga. where they attended the annual Wilkinson family reunion with 200 members of the family present. The reunion next year will be held the fourth Sunday in August.

Local Growers At Miami Beach Meet

The 20th annual convention of the Florida Fruit and Vegetable Association is being held this week at the American Hotel on Miami Beach. Among those attending from this area are Mr. and Mrs. Jess Elliott, Mr. and Mrs. Rupert Mock, Mr. and Mrs. Lewis Friend, Mr. and Mrs. R. D. Apelegren, Mr. and Mrs. Terry S. Harris, Mr. and Mrs. J. T. Boynton, Mr. and Mrs. Edgar Wilder, Mr. and Mrs. George Tucker and Mr. and Mrs. Leonard Dobrow.

Activities planned for the ladies while the members are holding their business sessions include a cruise to Bimini, shopping tours, bridge, swimming, and a wig fashion show. The Eastward Room is being used as a special lounge.

Elks Ladies Plan Officer Slate

Mrs. Norma Aldridge, Mrs. Dorothy Hillier and Mrs. Mildred Lavender were appointed on a nominating committee to secure a new slate of officers, at the meeting Monday night of the Ladies of the Pahokee Elks, with the president, Mrs. James W. Vann, presiding. Plans were made for entertaining the out of town ladies when the district deputy makes an official visit to the Lodge on October 17.

Mrs. Hazel Darden was welcomed as a new member. Refreshments were served by the president following the meeting.

A new sugar refinery will be built 34 miles southwest of the post office in Canal Point. The official announcement came on Wednesday of this week when President L. M. Calhoun of the Savannah Sugar Refining Corporation, announced that the refinery will be built just across the Palm Beach-Hendry county line in Hendry county.

Actual location of the refinery will be on an 80 acre tract of land immediately south of the spur line of the Atlantic Coast Line Railroad where it crosses State Road 832, known as Devil's Garden Road.

The new refinery will be one of the finest and most modern in the World and will contain much electronically controlled machinery. The refinery will employ between 100 and 350 persons, it was pointed out by officials of the company.

Lawton M. Calhoun, President of the Corporation, stated: "We have had several sites in both Palm Beach and Hendry Counties under intensive study for many weeks and have concluded that the site selected in Hendry County more exactly meets our requirements in all essential aspects. We appreciate the fine spirit of cooperation which has been given by the many people in both Palm Beach and Hendry Counties who have been involved in discussions with our representatives and we look forward to continuing this relationship with the establishment of our new Refinery. It is anticipated that ground will be broken and construction commenced in the near future."

The new Florida Refinery will operate on a year-round basis with an anticipated initial capacity of 100 million pounds of refined sugar a year.

Wee Care Nursery Gets Good Start

The day-care nursery, being planned in Belle Glade, is fast gaining backing from several groups in the Glades. George Royal, general chairman of the fund raising, has named the following to assist in that job: Lee Puckett, Charles Goodlett and Henry O. Earwood.

There will be a general meeting held on Sunday afternoon at Lake Shore High School auditorium in Belle Glade to which colored and white have been invited in an effort to get the project off the ground. Many donations have already been made for the building. W. C. Taylor, Belle Glade undertaker, said he would make an effort to get Negro block layers to donate their time in laying the blocks.

Mrs. Doris Spooner and her sister, Mrs. Bernice Knight of Seattle, Wash. who is their house guest returned to Pahokee, Wednesday night, after a five day tour of scenic points in Florida, including Salt Springs, Silver Springs and Tampa.

Shell Station Is Open Canal Point

The Shell Service Station in Canal Point is open under new management after being closed for several months. The new operator is Charles La Marr from Venice on the west coast of Florida. Mr. La Marr is an experienced station operator and extends a cordial invitation to folks in this area to visit his station. He gives S&H Green stamps.

Devilettes Are Named In Groups

The Devilettes, the Pahokee Girl's 4-H Club has been organized into three groups, designed as V, VI and VII, composed of girls from the 5th, 6th and 7th grades respectively, according to their leader, Mrs. T. E. Pennington.

The first meeting of the Devilettes V will be held Monday at 3 p. m. at the home of Mrs. Pennington. Record books will be distributed and instruction given for their maintenance.

Devilettes VI and VII are meeting each Thursday at 3 p. m. Food was the topic, this week, and included planning for parties, picnics and out-door cooking.

Registration is not complete but to date, 14 girls have signed up for the Monday group, and 12 for the Thursday groups.

Club Advancement Studied By Lions

Kyle Scott was speaker at the luncheon meeting, Tuesday, of the Pahokee Lions Club with the president, A. J. Gamot, presiding.

Mr. Scott, immediate past president, spoke on the results of the evaluation questionnaire (completed by members last spring) after he had thoroughly compiled the answers to the 45 items. These "findings" will be used as a guide line for the advancement and improvement of the Club.

It was announced that the annual sale of light bulbs will be held between October 4 and 19.

Plans were discussed for the chicken Bar-B-Que which will be held Saturday, October 5. This is the first fund raising project toward air conditioning the building.

Recent activities of the Club, to quote from an article in the September issue of Florida Lions Magazine, are the purchase of two pairs of glasses at \$36.00; the donation of a typewriter to a blind woman, costing \$82.06, and the purchasing of 12 tables and 60 chairs at a cost of \$732.24, thus increasing club house seating capacity to 100.

The meeting next Tuesday will be the monthly business meeting.

Vero Beach Comes To Pahokee Tonite

Vero Beach will bring their scrappy eleven to Pahokee tonight to do battle with the Blue Devils in the second encounter of the season for the local aggregation.

Last Friday night in the season opened the Blue Devils defeated the Clewiston eleven by a score of 26 to 6.

Pahokee, using a winged-T formation, struck for two touchdowns in the second period. Peacock climaxed a 75-yard march, sneaking over from the one for the first score.

A 15-yard pass to Sophomore End Keith Padgett provided the other six points. Both extra point attempts failed.

The losers escaped a shutout with a stirring 82-yard runback by Mike Mazzina on the last play of the game.

Bascom A. Belcher Has New Position

Bascom Belcher, who for many years has been superintendent of the United States Department of Agriculture Sugar Cane Experiment Station at Canal Point, is being succeeded in that position by Dr. Leo P. Herbert of Houma, La. Mr. Belcher has been assigned to full-time duties on the World Collection of sugar cane varieties to accelerate research to develop new varieties which will be resistant to disease and cold.

The World Collection is maintained in Canal Point and Mr. Belcher will live in the house in Pahokee, now occupied by Dr. Gist and his family when they move into their recently purchased home formerly owned by Mayor and Mrs. Duncan Padgett. Dr. Herbert will live at the station.

Preston Duncelman, Plant Breeder at the Canal Point Station, will be transferred to the Houma Station to devote full time to evaluating and selecting new cane varieties. He did this type work for L. S. U. for many years prior to coming to Canal Point in 1957. Another Plant Breeder will (continued on page 8)

Chamber Elects 4 New Directors

Mrs. Duncan Padgett, executive secretary of the Pahokee Chamber of Commerce has announced that the new directors elected by ballot for the coming year are Jack Spencer, Billy Ray, Mosley, Mitchell Kirk and William Benton.

New officers for the 1963-64 year will be elected at a meeting of the old and new directors which will be held October 7th.

Both officers and directors will be installed at the annual banquet, which will be held at the Elks Club on October 15.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The sheriff's department has notified the county commission that in the future, responsibility for catching residents dumping garbage in unauthorized areas has been assumed by the sheriff.

The county mosquito control department previously employed a special deputy whose assignment was to track down litterbugs. This job, within the mosquito control unit, will be eliminated in view of the sheriff's decision, Commission Chairman E. F. Van Kessel told the board.

In other actions this week the commission:

Voted to attend a four-day meeting of the State Association of County Commissioners to be held at Hollywood starting Sept. 29.

Voted to construct a sidewalk to serve the Palm Springs School—a walk to be built along the north side of 10th Ave. North, between the school and Kirk Road.

Called a special meeting for Oct. 7, to receive the tax assessment roll.

Approved an application from the Ski Club of the Palm Beaches for use of Lake Ida Park for a ski tournament November 2 and 3.

Heard from the Attorney General that the county commission can budget funds to set up a public defenders office.

A long standing hassle, between a pair of garbage collection firms from the Jupiter area, popped up again at Monday's county commission meeting.

Ford Sanitation, Inc. and W. L. Daughtrey both seek commission franchise to collect garbage in district No. 9. Daughtrey, a controversial operator, has had the county in a number of legal actions.

over his franchise. The two firms seek to renew their franchises but the commission balked on Daughtrey's. The board said it had evidence that the collector was violating his franchise in several ways including dumping his garbage in unauthorized areas.

Jupiter Police Chief Glenn Mayo said he had followed Daughtrey's truck, saw him make pickups and then dump his truck load on privately owned land and set the load afire. Daughtrey contended what Mayo saw was a load of trash—not garbage—and he was within his rights to burn the load.

The commission decided to renew the Ford Sanitation, Inc. franchise for five years and further voted to call a hearing on Daughtrey's application to hear further evidence in the case.

Work-Study Plan In Effect At Un. Of South Florida

TAMPA—A total of 67 University of South Florida students have reported to 21 businesses, industries and government agencies to work through Dec. 27 under the university's Work-Study/Cooperative Education Program.

The students' paid employment during the fall trimester is part of their educational program. The program blends theory with practice and enables USF students to earn money while meeting their educational requirements.

Employers cooperating with the university include some located in Louisiana, Tennessee, Texas and Alabama, as well as Florida.

Eighty-two other USF students have just completed their summer trimester work assignment and are back to continue their academic studies. The returning students earned approximately \$100,000 during their summer of work.

Fortune Teller Reaches 95 Years

County Commissioner Paul Rardin who can be depended on to register an emphatic "NO" when a board vote is called for approval of a palmistry license, relented just a bit this week.

The board was considering an application for a palmistry license. The woman applicant said her age was 95 years.

When the vote was called, Commissioner Rardin asked that the secretary show the commissioner from the fifth district voting no with a small "n".

"That's because she's 95," Rardin explained.

Skin Divers Find Suwannee Paradise

BRANFORD—Skin divers believe they've found a diver's paradise in the Suwannee River country of North Florida. They have tagged it a paradise because of the many Crystal clear springs.

There are more than 100 listed crystal springs along the Suwannee and its tributaries, the Santa Fe and the Ichucknee. A diver can explore back into dozens of caves from each spring.

Sam Anderson, head of the Suwannee Aqua-Knights, said historic finds of Indian artifacts and fossils dating back as much as 50 million years have brought geologists into the area. Shark teeth and mammoth and mastodon teeth and bones dating as far as 50 million years are fairly frequent finds.

Teachers Honored By Local Lions

Farm Bureau To Hold Director Meet

GAINESVILLE—The Florida Farm Bureau Federation's 21 member board of directors is slated to meet in Gainesville Friday September 27.

Discussion of a proposed expanded services program for the 33,000 member farm organization is expected to highlight the one-day meeting at the state office.

Other important matters on the agenda include preparations for the annual state convention, scheduled for November 10-12 in Panama City, and reports from policy development meetings now being held throughout the state.

Florida's 64 County Farm Bureaus are presently engaged in drawing up resolutions to be used in determining the program for the organization. Final action on the resolutions will be taken at Panama City.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today, Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Government Water System At Airport Put Up For Sale

The county commission has decided its not interested in purchasing a part of a water system at International Airport owned by the General Service Administration.

The system is located north of Belvedere Road outside the airport grounds and serves a number of what were once government surplus buildings which have been bought up by individuals at auction.

GSA asked \$14,575 for the system, plus free water for Marine Corp facilities located in the area. The commission declined the offer.

In other airport actions, the commission learned it will cost an estimated \$92,000 to obtain needed clear zones at the end of airport runways. The clear zones are required in order that the county can qualify for federal funds to help finance runway improvements. County Engineer George

Frost said about 75 percent of the cost estimate would likely come from a federal grant.

A block of airport buildings under control of the county Civil Defense organization, also came up for discussion.

County Attorney Harry Johnson warned that religious, social

and fraternal groups using the buildings with CD permission, should be required to furnish adequate liability insurance.

He further stated that if activities of these groups were not connected with CD operations, the buildings should be turned back to the county.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

"Reality" will be the subject of the Bible Lesson this Sunday at "all Christian Science churches." A prayer from Psalms (119:18) will be included in the Bible readings: "Open thou mine eyes, that I may behold wondrous things out of thy law."

These lines from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be read: "If the disciple is advancing spiritually, he is striving to enter in. He constantly turns away from material sense, and looks towards the imperishable things of Spirit" (p. 21).

"Back To School Party" By Sorority

A "back to school party" was held by members of the Xi Alpha Mu Chapter of Beta Sigma Phi Sorority, last Thursday at the home of Mrs. J. T. Boynton on East Main Street, with husbands attending as invited guests. The living room was decorated to resemble a schoolroom, and those attending were dressed in second grade attire. Entertainment featured a drawing contest, reading lessons and an old-fashioned spelling bee, with Mrs. Marshall Lair serving as the teacher.

Hostesses with Mrs. Boynton for the occasion were Mrs. W. S. Plumer, chairman of the social committee; Mrs. Dorothy Hillier, Mrs. W. R. Wilson and Mrs. James I. Moore.

The next meeting of the chapter will be held Thursday, October 3.

Cub Scouts Hold First Year Meet

The first meeting of Cub Scout Pack 623 of Pahokee, for this school year, was held Tuesday night in the recreation hall of the First Methodist Church, with Cubmaster W. O. (Bill) Moss in charge.

The meeting was opened with prayer, and Cubs of the Webelos Den presented the flag ceremony.

Cubmaster Moss gave the welcoming address and introduced the leaders and members of the Dens that have already formed. W. D. Howard will continue to have charge of the Webelos; Mrs. Mae Maggill and Mrs. Jane Kramer will be den mothers for Den II; Mrs. Fay Williams and Mrs. June Parker, den mothers for Den III, and Mrs. Nina Shirley, den mother for Den IV.

Mr. Moss explained the Cub Scout program to the new boys and their parents, and introduced C. R. Wetherington as the new secretary-treasurer for the Pack, and committeemen, Bill Caraway and Frank Gillis.

The boys of Den III entertained the group by singing the Cub Scout song, "Hurrah for Cub Scouts."

The Cubmaster presented the following awards: a Bear badge to Mike Justice; gold arrows to Larry Moss and Jimmy Wilkinson; and Lion badges to Steve Hawk and Greg Brower who were then inducted into the Webelos Den.

"It was announced that a Cub Scout from Pack 623 will serve with the Boy Scouts at the flag raising ceremony on Lair Field preceding the home football games. Larry Moss was one of the honor guards at the game last Friday night, and Jimmy Wilkinson will represent the Pack this Friday night.

The next den mother's meeting will be held Tuesday, October 15, at 4 p. m. at the home of Mrs. Moss. And the next Pack meeting will be Tuesday night, October 22, at 7:30 p. m. at the First Methodist Church, Pahokee.

Following the meeting, which was closed by the group singing, "Good-Night Cub Scouts," application forms were filled out by those boys wishing to become Cubs assisted by their parents.

Typing Classes Will Be Formed

Dr. Thomas Theis, Chief of the U. S. D. A.'s Tobacco and Sugar Crops Research Branch, announced the foregoing changes. He said the research responsibilities of several other scientists at Houma and Canal Point were being realigned.

Dr. Theis said, "All reassignments are designed to make the most effective use of personnel, facilities, and funds with major emphasis on developing improved cold-resistant and disease-resistant varieties of sugar cane."

Mrs. Frank Anderson Entertains Club

Mrs. Frank L. Anderson of Belle Glade entertained members of the Omicron Chapter of the Sigma Eta Fine Arts, Incorporated, at her home in Belle Glade last Friday evening, September 20.

The group opened the meeting by repeating the Sorority Creed and singing the Sorority song. Roll call was followed by the adoption of the minutes and completion of the business of the Convention held in Fort Lauderdale in August. During the business session, members discussed the possibility of holding an adult class in Music and Drama, under the direction of the Adult and Veteran Education Association, with Paul L. Phillips as director, and Charles A. Young as assistant director. This project would be sponsored by the Omicron Chapter.

Refreshments were served by the hostess during the social hour. She was assisted by her daughters, the Misses Laurie and Bonnie Jeanne Anderson.

Among those attending were Mrs. Edna Barrett, Mrs. C. T. Santee and Mrs. Edward Kane, all of Canal Point; Mrs. Mable Lutz, Mrs. Ray Whitlock, and Mrs. Howard Burdine, of Belle Glade; and Mrs. William Masonic, South Bay.

Mr. and Mrs. Gerald Hayes and children of West Palm Beach were the guests Wednesday of his mother, Mrs. Annie Hayes, and her parents, Mr. and Mrs. Elmer Upthegrove in Pahokee.

CAROLE JUNE CUBBEDGE

Carole June Cubbedge Engagement Told

Mr. and Mrs. Clarence Halstead Cubbedge of Winter Park announce the engagement of their daughter, Carole June, to Harry Kenneth McIntosh, son of Mrs. Harry M. McIntosh of Pahokee, and the late Mr. McIntosh.

The bride-elect is a graduate of Winter Park High School, class of 1960, and is now attending Florida State University, Tallahassee where she is a member of the Delta Delta Delta Social Sorority. She made her debut at the New Year's Eve Ball at the Rosalind Club in 1961.

Mr. McIntosh was graduated from Pahokee High School in 1959 and received a bachelor's degree last spring from Florida State University, Tallahassee, where he majored in Spanish and business administration. He is affiliated with Pi Kappa Phi fraternity, and is presently employed by the Bank of Pahokee.

Wedding plans will be announced at a later date.

ENTERTAINS CHOIR

Members of the Vesper Choir of the First Methodist Church, Pahokee, were entertained Sunday in the Social Hall following the evening worship service, by Mrs. Richard F. Hurt, president of the Woman's Society of Christian Service.

Ministers Back Day-Care Nursery

The Belle Glade Ministerial Association, concerned for and interested in the improvement of community facilities which provide for a better living environment for all people and aware of the crucial need for a day-care nursery for pre-school Negro children of working mothers, heartily and enthusiastically endorse the proposed Wee Care Nursery and pledges to support and help advance the cause of this undertaking.

Further, the members of the association call upon all Christian minded men and women in the Belle Glade area to support this most worthy cause.

The individual members of the minister's association also wish to commend those humanitarian and civic minded citizens who are so diligently working and planning to bring to fruition this welcome addition to our community's civic resources.

The Belle Glade Area Ministerial Association is composed of the ministers of the cooperating protestant churches in Belle Glade and the immediate surrounding area. The Rev. William Boland, minister of the Community Methodist Church is president of the association.

DOCTORS OK NURSERY

The Belle Glade Hospital Staff wholeheartedly endorse the proposed "We Care" day nursing program and feel it will materially help the health of the children entrusted in its care.
